## **President's Message**

On behalf of the Windsor Bluefins Swim Team Parent Association, I would like to welcome you to the 2024 summer swim season.

Windsor Bluefins is a non-profit organization run by a volunteer group, the Parent Association. Every parent is a member of this group – your voice, ideas and opinions are very important, and we encourage all parents to be involved! We will be holding weekly meetings during the summer swimming regular season and look forward to your input.

The executive and the Manager of Recreation and Community Engagement for the West Hants Regional Municipality have been working collaboratively to maintain and sustain our Summer Swim Team program. We may be sharing the pool at times with adult lane swimmers but together we have come up with a schedule that suits us all.

We are excited to have three coaches this summer! Shelby Rideout will be returning this summer as a coach. Tia Taylor will be returning this summer as a coach. Ethan Kershaw will be joining us this year as a coach.

We are offering a new program this summer to expose our swimmers to the coaching experience. Swimmers that are interested in learning about becoming a swim coach and meet the minimum requirements are welcome to sign up. More information about our Junior Coach program can be found on page 9.

Communication will be via email, including a weekly newsletter that will provide you with information regarding the week to come (such as swim meet information and team building events). Please make sure we have your up-to-date contact details for last-minute information.

We are excited to have each of you as a member of our swim team family and are looking forward to an amazing summer of fun and hard work. With our coaches' guidance, the hard work of our swimmers, and our support, this will be a fun and successful summer.

See you at the pool!

Alanna

## Coaching Staff

### Coach – **Shelby Rideout**

- NCCP level 1 certified
- Coach for the Bluefins in 2022/23
- Former member of the Windsor Bluefins
- Standard First AID AED/CPR C certified

### Coach – **Tia Taylor**

- NCCP level 1 in-training
- Former member of the Windsor Bluefins
- Coach for the Bluefins in 2023
- Summer All Stars 2022 100m Butterfly

### Coach – **Ethan Kershaw**

- Community coach certified
- Year-round Competitor Sackville SWAT
- Coach in-training program 2023
- Highest point male swimmer at East Coast Championships 2024
- Favourite events are 1500free, 800free, 400IM, 200back and open water swimming.

## Our Coach's Message

Our coaching philosophy is primarily focused on individual improvement and having fun while achieving goals of personal best times and team spirit. At this level the best way to achieve results is to concentrate on making small improvements and having fun. Swimmers should have a good positive attitude, be respectful to their fellow swimmers and coaches and try their best. Nevertheless, this is still a summer competitive team, and our coaches will push our swimmers to help them reach their maximum potential not only as an athlete but also as a person. Our goal is that every swimmer will walk away feeling like their swimming has improved and they had a fun time despite the hours of hard work.

If you have any questions, comments, or concerns please reach out. We are always happy to explain decisions and thought processes as well as hear others' opinions. We are always looking for ways to improve the team so if you have any suggestions, we would love to hear them. The preferred method of communication with the coaches is by email, using the below addresses, but we have also included cell numbers below (text or call) in case you need to get hold of a coach quickly.

We are looking forward to coaching everyone and let's have a great summer together.

Shelby Rideout

Tia Taylor

Ethan Kershaw

## **Background**

The Windsor Bluefins Swim Team dates to 1966 when the Windsor Centennial Pool first opened. The early years were difficult as it struggled to survive but by 1978 the team was well established. In 2003, the Windsor Centennial Pool was marked for closure by 2006 and the WB Parent Association came forward with a \$10,000 donation towards the construction of the new facility. In addition, other fundraising efforts were undertaken and another \$4,000 was raised bringing our contribution to the pool to \$14,000. We were the first users of the new pool which opened July 1, 2007.

The Windsor Bluefins have been ranked highly for many years. In 2004 we won Provincials for the large teams. By 2009 we became a small team but still won the highest point score for small teams for 2009-2014. The Windsor Bluefins have consecutively had swimmers qualify for the All-Star Team.

The Bluefin Tuna is the fastest creature in the water. It is widely regarded as the most difficult fish to catch, as are many of our swimmers!

## **Philosophy Statement**

The Windsor Bluefins is a competitive swim team. We can practice up to five days a week throughout the summer. Swim meets are optional each weekend across the province representing our team and our community. Our goal is to make your child the best athlete that he or she can be while having fun!

While improving your child's swimming abilities in all four competitive strokes, we also aim to teach a high standard of teamwork, fair play, and sportsmanship in and out of the pool. We encourage these aspects in our swimmers by involving them in full team activities, cheering each other on at meets, and being respectful of fellow competitors, officials, and parents.

Our goal for the summer is to recruit new swimmers, retain our returning swimmers and for each swimmer to achieve their personal goals. For some, that may mean medaling at Provincials. For others, it may mean achieving their personal bests, e.g., improving a stroke, managing a turn, or performing a dive. Athletes need a lot of encouragement and support from their family, friends, and coaches, so please do not be shy about cheering on every Bluefin.

# 2024 Practice Schedule

## June 22 (Saturday)

10:00 - 11:30 am - Group 1

11:45 am - 1:00 pm - Group 2

The list of swimmers in Group 1 & 2 will be sent out prior to the practices.

## July - August

July 1 to August 15

Time	Mon	Tues	Wed	Thurs	Fri
6:30 – 8:00 AM		SWIM Green & Yellow Groups	SWIM Green & Yellow Groups		SWIM Green & Yellow Groups
8:00 – 9:00 AM		Dry land Green & Yellow Groups	Dry Land Green & Yellow Groups		Dry Land Green & Yellow Groups
4:00 – 5:30 PM	SWIM All Bluefins	SWIM Red, Orange & Mini fins	SWIM Red, Orange & Mini fins	SWIM All Bluefins	SWIM Red, Orange & Mini fins

August 20 to 22 - Fun Week – All Groups/Swimmers swim together.

Time	Mon	Tues	Wed	Thurs	Fri
4:00 – 5:30 PM		SWIM All Bluefins	SWIM All Bluefins	SWIM All Bluefins	

The coaches will determine which swimmers will be in each color group the first week in July. Swimmers may be moved between groups depending on development throughout the season.

## What to Expect from Practice

Going the extra mile puts you miles ahead of your competition. Consistency is what gets the job done.

Swim Nova Scotia introduced the Long-Term Athlete Development plan a few years ago (LTAD). This reinforces the coach, parent, and administrator's primary role – to create a sport experience that provides each young participant with the opportunity to achieve success to their highest capabilities and to continue a life of active living.

A successfully implemented Long Term Athlete Development strategy provides greater member retention as well as the acquisition and expression of a love for the sport. In some instances, we may recruit the help of our older swimmers to assist our new and younger swimmers in one-on-one sessions.

The coaches put great effort into preparing each practice schedule and it is important that swimmers are at each practice **on time**. It is disruptive to the other swimmers and coaches when swimmers arrive late.

There is still practice on days that it rains. If it is thundering and lightening practice may be cancelled as often the pool is closed.

All swimmers should come to the pool with waterproof sunscreen applied and plenty of water to keep hydrated as they practice. For the junior and senior groups, there will be dryland training happening after morning practices. It is expected that swimmers will bring clothes to change into for dryland. This includes comfortable clothes to exercise in, socks and sneakers. We also suggest packing a snack and extra water for those participating in dryland training.

**We ask that parents keep off the pool deck during practices as this distracts both the coaches and the swimmers.**

The part of the summer your child will remember is not the laps, it will be the great times!

## Junior Coach

We are excited to be offering a new opportunity this year to our swimmers. With the support of our amazing coaches, interested junior and senior swimmers are welcome to join our junior coach program. Each week participants will be introduced to different concepts and experiences related to being a swim coach. Some of the experiences include lesson planning, peer coaching, swim skill development, sun sense, and more. Note that this is a development program that will span several seasons.

Additional information will be provided as the season begins.

As outlined by Swim NS at [Coach Membership Requirements](#), the following are what is required for an individual to become a coach:

## Swim Nova Scotia Coach Membership Requirements

All Coaches in Nova Scotia must meet the following minimum standards:

- All Coaches (18 and older) must submit a Criminal Records Check including a Vulnerable Sectors Search to Swim Nova Scotia by July 1<sup>st</sup> (Summer Coaches) November 1<sup>st</sup> (Year-Round Coaches) if there is not one on file, or if requested by Swim Nova Scotia. \*
- Must be fully registered with Swim Nova Scotia, Swimming Canada and the Canadian Swim Coaches and Teachers Association no later than July 1<sup>st</sup> (Summer Coaches) November 1<sup>st</sup> (Year-Round Coaches) annually. If a Coach joins a team after July 1<sup>st</sup> (Summer Coaches) November 1<sup>st</sup> (Year-Round Coaches) they will have one week to complete their Coach registration.
- **All Coaches must complete Safe Sport Training (CAC) or Respect in Sport Activity Leader Training no later than July 1<sup>st</sup> (Summer Coaches) November 1<sup>st</sup> (Year-Round Coaches)**
- All Coaches must meet the minimum NCCP Swim Coach Education and membership requirements as outlined in the Swimming Canada Procedures and Rules
- Coaches that are not registered by the above deadlines are not eligible to be on deck during sanctioned competitions or swim practices.

\*All Criminal Records Checks must include a Vulnerable Sector Search and both checks must be clear. Swim Nova Scotia may request additional checks at any time. These checks may be done through [www.mybackcheck.com](http://www.mybackcheck.com) or through your local police or RCMP station. Coaches that are employed by the Nova Scotia School Board may submit a letter to Swim Nova Scotia with proof of employment in lieu of submitting a Criminal Records Check.

All year round Coaches must be registered in the Swimming Canada National database by their Club Registrar; all Summer and Masters Coaches must email the Swim Nova Scotia office to ensure registration.

**Non-Compliance:**

- Coaches that are not in compliance are subject to a \$100 penalty to Swim Nova Scotia and will be required to leave the pool deck.

## **Mini-fins Program**

The Mini-fin Program is new for 2024. It is ideally for new swimmers aged 5-10 years who want to swim but not commit to 5 days/week. Mini-fins will swim 4:00 - 5:30 pm on Tuesdays, Wednesdays and Fridays. They will be allowed to race in the Windsor Swim Meet and our Time Trial. They can attend our social events.

## Fees

The registration fee for the 2024 summer swimming season will be \$450 per swimmer. The registration fee for the Mini-fin program will be \$250 per swimmer. Registration fees are used to cover all coaching costs, pool time, meet entry fees, and registration with Swim Nova Scotia. If a swimmer wishes to be removed from the swim team and notification is received by July 12, half of the registration fee will be refunded. In the case of injury or illness, which will prohibit the swimmer from participating, a refund at a pro-rated amount will be considered and decided by the executive.

The KidSport program provides grants to help cover the costs of registration fees so that all kids aged 18 and under can play a season of sport. The Windsor Bluefins are happy to participate in this program. Applications can be input online at <https://kidsportcanada.ca/nova-scotia/kings-west-hants/>.

The Inspire Fund offers fund assistance with the cost of recreational opportunities within West Hants Regional Municipality. Must have applied with KidSport and Jumpstart first. How to apply: on-line at [www.westhants.ca/inspirefund](http://www.westhants.ca/inspirefund) or pick up a paper application form at West Hants Municipality office, Windsor Community Centre or West Hants Sport Complex. Questions: email [inspirefund@westhants.ca](mailto:inspirefund@westhants.ca) or call Kathy 902-790-6976.

## Fundraising

The Windsor Bluefins is a non-profit organization. To keep our registration fees at an affordable level, fundraising is necessary. There are three fundraisers that we are running this year, which are listed below.

### Bottle Recycling

Instead of organized bottle drives, we are asking parents and swimmers to save all bottles and return them to the O'Leary's recycling depot in Garlands Crossing to credit the refund to the Windsor Bluefins Swim Team. This is an ongoing fundraiser so returns can be made at your convenience. It does not take long for the money to add up if everyone participates.

### Canteen

During our swim meet we have a canteen, and it is a major fundraiser for the team. Our canteen is probably one of the most successful canteens you will see at any swim meet during the summer. This is due, in large part, to the many donations we receive from the team members and local businesses. **In addition to food items for the canteen, parents will be asked to volunteer time working in the canteen. It takes many hands to run an efficient canteen.**

## **Nova Scotia SportSplit**

We are participating in the Sport Nova Scotia SportSplit online monthly 50/50 fundraiser. This is our primary fundraiser for the year, and we are asking all parents to share our specific 50/50 page on their social media and encourage their friends and family to participate. The team specific URL is <https://rafflebox.ca/raffle/sportns/160>.

## **Clothing and Equipment**

To compete at meets swimmers must have goggles and a lot of swimmers find that a swim cap is important when racing. Each new swimmer will be given a Bluefins cap when they join the team.

Swimmers will also be given a Bluefins team T-shirt at the beginning of the season. The t-shirts are white with a blue logo, it would be ideal if the t-shirt could stay white until we get a team picture done (we will endeavor to take the team photo early in the season).

Although optional, an enclosed bag is useful to keep clothes and towels dry when it rains (practice still runs in the rain). Extra towels, sweatpants and a hoodie are helpful, especially on cool days. For junior and senior swimmers, exercise clothing, socks, and sneakers are required for dryland training after morning swims. We will be coordinating a team clothing order early in the season via an online store. Information will be coming out soon after registration.

Although not required, the Bluefins offer team swimsuits for purchase. The swimsuit and jammers are pictured below, and the cost is \$55 for the swimsuit and \$35 for the jammers.

## Time Trials

We will be holding a time trial July 25<sup>th</sup> during an afternoon practice. Time trials give the swimmers an opportunity to be officially timed in races and experience the competition format. We strongly encourage all swimmers to participate and join in on the fun. We will need volunteers to be officials (such as timers) at the time trial. Training will be provided.

## What to Expect at a Meet

To enhance our cohesion as a team, we cheer, yell, scream and go nuts! Nothing shows team spirit like showing no fear, so at every meet we try to be as loud and supportive as possible! If your child is shy, he or she will quickly learn how to step out and yell loudly to the world “BLUEFINS RULE!”

### Why Warm-up is Important

Sometimes we don't know why warm-up is important. There are several reasons why 10-15-minute warmups can impact swimmers and coaches. If you are going to be late for warm up or for some reason are unable to make the scheduled warm up time, please inform the coaches so that swimmers do not get mistaken for scratches at the end of warm up sessions before the meet begins.

Reasons swimmers should attend warm up:

1. **Every pool is different.** Returning or new – we only swim at some pools once a year; it is important that we get used to each pool before we race. Some pools are deeper or shallower than others, and this will affect your dives and starts during a race. To be properly prepared for a race you must know what you are diving into. Kentville isn't even the same length as other pools! (It's in yards not meters).
2. **You need to get used to the flags.** Flags are supposed to be the same distance at every pool, but since we swim outdoors even the weather can affect our stroke count to the wall. Nobody wants to swim their heads into the wall, so it is important to practice that stroke count in warm up if you are swimming any backstroke at the meet.
3. **Warmups are important to get you ready to race.** Getting in the pool before you race gets you ready and lets your muscles know that you are about to go all out. It also gets you pumped up for the environment you are about to immerse yourself in. So, come to warm up and get pumped for that big race!

### Not attending a swim meet?

If you know ahead of time that you will not be able to make any or certain swim meets this year, it is important that the coaches be notified! Swim Nova Scotia generally requires teams to submit their entries the Tuesday before a meet. So, if you know that your swimmer will not be able to attend an upcoming swim meet, it is best that coaches are notified before Tuesday. If there are circumstances that occur such

as illness, notifying the coaches as soon as possible is important so the swimmer can be scratched from the meet. If we are unable to scratch swimmers from the meet, a heat for a race will run sometimes with only one or two swimmers in them because we were unaware of their absence.

### What to bring to a swim meet

- **FOOD:** Healthy snack foods are important to give your swimmer the best fuel. Most kids just munch on little things all day. When the lunch break arrives, it lasts only for about 30-40 minutes, so a small lunch packed with fruit, pasta, bread, and vegetables is the best idea. Something that can be thrown together instantly or just eaten separately is a great time saver. There most always is a canteen available.
- **WATER! WATER! WATER!** It cannot be emphasized enough how important it is to bring lots of water. Water is the best substance to drink all day. The hot sun can cause heat stroke and dehydration, both of which must be avoided.
- **OTHER STUFF:** Swimsuit (or suits...just in case!!), goggles, swim caps, WATERPROOF sunscreen of at least SPF 30, at least two towels per child, extra socks, sandals, a blanket, rain/wind breaker, sweatpants, hoodie, hats, sunglasses, lawn chairs, entertainment (cards), and a good attitude! We know it's early!

*Expect to make lots of NOISE!!*

### Participation vs. Age Group

For swim meets almost all swimmers are entered into races as a participation swimmer. Participation gives swimmers the opportunity to compete without the possibility of being disqualified by judges due to incorrect turns or strokes. To move from participation to age group swimmers must meet specific time standards. They must complete a 50-meter race in .55 at a time trial or swim meet. Once this goal has been achieved the swimmer must complete a 100-meter IM race in 2:15 at a time trial or swim meet.

### Meet Officiating

Each swim meet would not be successful without the officials on and off deck that work together with Swim Nova Scotia to run the meet. There are numerous different official positions that are all filled by volunteers within the swimming community and their importance cannot be overstated.

- Timer and Scribe (2 per lane are required): Operate stop watches and properly record the official time of the swimmer.
- Chief Timer: Briefs timers prior to session, takes time of lead swimmer in each heat, steps in when a timer has missed the start of a heat, or a watch has malfunctioned.
- Safety Marshall: Ensures that all safety rules are followed by swimmers while on deck.
- Starter: Assumes control of the swimmers from the Referee, directs them to "take your mark" and watches that no swimmer is in motion prior to giving the start signal.
- Clerk of Course: Arranges (seeds) the swimmers in their proper heats and lanes, notifies Referee if anything is not as is published in the Heat Sheet, assists Marshall with deck control.

- Chief Finish Judge: Processes results from the timers' sheets. For each swimmer within each heat the times recorded by the timers are averaged to give a final time for the swimmer in the related event.
- Meet Manager: Organizes the meet including pool time, audio, supplies, and all matters required to run a smooth event.
- Turn Judge: Observe from each end of the pool and ensure that the turns and finishes comply with the rules applicable to each stroke.
- Stroke Judge: Observe from both sides of the pool, walking abreast of the swimmers, to ensure that the rules for each stroke are being followed.
- Referee: Has overall authority and control of the competition, ensuring that all the rules are followed. Assigns and instructs all officials and decides all questions relating to the conduct of the meet.

Various training sessions are held throughout the season, hosted by teams within the summer swimming circuit, to obtain training in each official position. We will notify you when sessions are available for those interested in becoming a meet official.

Swim Nova Scotia requests that each swim club supply volunteer members from their team as officials for each meet. We will need a parent to take the role of volunteer coordinator to ensure our team contributes to the meets throughout the season and our two time trials. **Without officials, a meet cannot run.**

# 2024 Summer Swimming Meet Schedule

As of February 26, 2024

## 2024 Summer Swimming Meet Schedule

<b>DATES</b>	<b>HOST CLUB</b>	<b>TEMPLATE</b>
Saturday, July 6 <sup>th</sup>		
Sunday, July 7 <sup>th</sup>		
Saturday, July 13 <sup>th</sup>	Bedford Beavers	A

100 Fly	100 Back
Age Group Relays (2 templates to run medley & 1 template to run free) in the middle of the day	Open Relays (2 templates to run free & 1 template to run medley) at the end of the day

Notes:

- \*Swimmers must achieve the 50m Freestyle time standard of .55 to swim the 100mIM.
- \*\* Swimmers must achieve the 100m IM time standard of 2:15 to move into age group events. These times may be achieved at invitational meets or time trials using legal starts/strokes/turns.
- 11& over: mixed gender and age (scores and awards by multi-age group)
- 13 + 14 – must swim 200 and 200IM: choice of 2 other events.
- 15 + over – choice of 3 events.
- 100m IM will be swum as 12 & under (scores and awards by multi-age group)
- 200IM and 200 Free will be swum as 11 & over (scores and awards by multi-age groups)
- Clubs are asked to organize in-house 400 Freestyle time trials and email the results to Swim Nova Scotia. These will be included in the weekly rankings.
- 50m Kick will be swum as open for the participation swimmers, with the use of a flutter board, dolphin or flutter kick are acceptable, everyone will start in the water with one hand on their board and one hand on the wall with the flutter board touching the wall for the finish; will swim two per lane and as ‘flighted’ heats.
- Participation swimmers will receive a skills report from the coach.
- Participation swimmers that graduate to the Age Group program will receive a graduation certificate.
- PARA swimmers can swim in the appropriate level; coaches should follow up with Swim Nova Scotia on their level and classification.

# List of Team Pools

## **Bedford Beavers**

Address: 56 Shore Drive, Bedford; 35 minutes from Windsor pool

Notes: Bedford Parking is extremely limited and you can only park on the left of the street. There is parking on the Bedford Highway that will allow you to walk down the hill to the pool.

## **Bridgewater Barracudas**

Address: 154 Jubilee Road, Bridgewater; 1 hour, 3 minutes from Windsor pool

## **Canada Games Centre**

Address: 26 Thomas Raddall Drive, Halifax; 39 minutes from Windsor pool

## **Colby Sailfish**

Address: 609 Colby Drive, Dartmouth; 47 minutes from Windsor pool

## **Kentville Marlins**

Address: 125 Park Street, Kentville; 30 minutes from Windsor pool

## **Lunenburg Mariners**

Address: 17 Green Street, Lunenburg; 1 hour from Windsor pool

## **St. Margaret's Bay Breakers**

Address: 12 Westwood Boulevard, Upper Tantallon; 44 minutes from Windsor pool

## **Waegwoltic Waves**

Street Address: 6549 Coburg Road, Halifax; 48 minutes from Windsor pool

Notes: Parking is very limited and unless you get there very early you won't get a spot on Coburg Road. You cannot park in the club parking lot. There is parking available on nearby streets.

## **Windsor Bluefins**

Street Address: 306 Stannus Street

## Our Invitational Swim Meet

**All families will be asked to make food donations** as well as working a shift somewhere at the meet. The Meet Manager will be asking parents to sign up for various shifts throughout the day starting early in the morning. This could include any of the following.

Set Up/Take Down: The Meet Manager will require help setting up for the meet (usually done the night before) and taking down equipment after the meet. The more volunteers we have in this area, the quicker and smoother things will go.

Parking Attendant: Help to ensure that we maximize our parking lot for the extreme volume of cars.

Den Parent: Monitor the team tent area. With most parents helping with different roles at the meet, it is important that we have at least one parent monitoring the tent area and helping to ensure that swimmers make it to the marshalling area when needed.

Marshalling: Experienced volunteers are required to assist in the marshalling and organizing of swimmers as they check in for their events.

Canteen: Bake, Bake, Bake! AND Donations!! The more items available to sell, the more money we raise. This is a very easy fundraiser and our biggest of the year. Parents will be asked to help cook or serve. If you have your food handler's certification, we would love to have you help with the canteen.

Runners/Floaters: Prepared to help in any area or job needed on the day of the meet.

Timers: These positions will usually be filled by parents of the other teams. But parents can volunteer as timers at the other meets. Six sets of 3 parents will be required for both the morning and the afternoon shifts (2 timers and a scribe). Timers are considered officials and as such are asked to dress in white. It's a good idea to wear a hat to keep the sun off your head.

# Summer Provincials Competition

Provincials are the big final meet that ends the season. Every team across the province convenes at a different town each year to compete. The 2023 Provincial Championships will be held August 18<sup>th</sup> to August 20<sup>th</sup> and hosted by the Waeg Waves.

## **Unlike other swim meets, every team member will not have equal opportunity to swim at Provincials.**

There are provincial qualifying standards for each stroke, which if met will guarantee that swimmer a spot in that event. The qualifying standards for 2023 are listed on the next page.

Everyone will not get an equal number of swims. If you are planning on being away Provincials weekend, please let the coach know ahead of time so that swims are not given to swimmers who won't be attending Provincials. Our goal is to provide a competitive sport at Provincials. This does not change our goal of providing your child with the opportunity to do their **Personal Best**. We hope you respect the decisions of the coaches in this regard. Swimmers need to be registered by August 1<sup>st</sup> and will be announced shortly afterwards.

**Swimmers must have participated in at least one swim meet before August 1 in order to be eligible to participate in Provincials.**

## **Provincial Clothing**

Each year there is an opportunity to purchase souvenir clothing from Provincials. These items will be sold on a pre-order, pre-pay basis only.

If you are interested, don't delay in ordering. Please see our clothing and equipment manager for details. The order will be sent out from the host team typically by mid-July.

# 2024 Summer Provincials Qualifying Criteria

## 2023 Summer Provincials Qualifying Criteria

To be eligible for Provincials, a swimmer must have competed in at least one time trial or invitational meet prior to August 1<sup>st</sup>, 2023. The results must be published on the Swim Nova Scotia webpage and included in the rankings.

All times being submitted for entry to Provincials must be achieved between June 1<sup>st</sup>, 2023-August 6<sup>th</sup>, 2023 (rankings will be published on August 8<sup>th</sup>).

No time entries will not be accepted for Provincials, entry times must be published in the Swim Nova Scotia rankings as of the entry deadline.

PARA swimmers are eligible to compete in the designated PARA events. PARA events will be dependant on the classification of PARA swimmers.

All athletes who fulfill the above criteria are eligible to attend Provincials\*, following the event entry eligibility determined as follows:

\* Individual club policies will determine which eligible athletes are entered in the meet

**PARTICIPATION LEVEL** swimmers are eligible to swim any 3 **PARTICIPATION LEVEL** events. As per regular season rules, Participation Level athletes are eligible to swim the 100 IM if they have met the 50 free graduation standard. *If swimmers qualifying for the 100 IM after the 50m Free, they may contact meet management and enter the 100 IM. Participation swimmers may only score points for 3 events. If a swimmer graduates on Saturday and deck enters the 100 IM, they will not score that event (if they have swum 3 events already).*

**AGE GROUP LEVEL** swimmers are eligible to swim **AGE GROUP** events.

10-and-under **AGE GROUP** swimmers achieving qualifying times in **100 OR 200 free AND 100 IM** are eligible to swim any **5** individual events in their age group.

11-12 **AGE GROUP** swimmers achieving qualifying times in **200 OR 400 free AND 100 IM OR 200 IM** are eligible to swim any **5** individual events in their age group.

13-14 **AGE GROUP** swimmers achieving qualifying times in **200 OR 400 free OR 200 IM AND any other** eligible events to swim any **5** individual events in their age group.

15-and-over **AGE GROUP** swimmers achieving a qualifying time in **ANY** event are eligible to swim any **5** individual events in their age group.

**AGE GROUP LEVEL** swimmers who have not achieved **AGE GROUP QUALIFYING STANDARDS** are eligible to swim any **2** individual events in their age group.

**ALL AGE GROUP LEVEL** swimmers are eligible to participate in a maximum of **2 relays** in addition to individual events.

### RELAYS:

-Athletes participating only in relays must be entered in the club roster submitted for provincials (there is no minimum number that must qualify for Provincials). This can be accomplished by entering the athlete's name in at least one relay event. At the beginning of each session, relay teams will need to be confirmed.

-If a Participation swimmer graduates, they are eligible to join an age group relay (that is pre-entered in the meet).

-Relays are available for Age Group level swimmers only.

-All 'A' relays will be seeded ahead of 'B' relays. Only 'A' relays will score.

-At least two (2) of the four (4) members swim in that age group.

-Swimmers must not move to a younger age group (from which they are entered) to fill up the relay. However, a swimmer may move to an older age group.

- For relay events please use the following formula if you do not have a relay time in the 13 & over events: take 45% of the 100m time to calculate the 50m time.

## **Discipline Policy**

1. The coaching staff shall review any incident of misconduct or reported incidents of misconduct. Incidents may be reported from other swimmers, lifeguards, officials, or any incident that may have been witnessed.
2. Coaches will caution swimmers first for violations and communicate to swimmer's parents/guardians and President/Executive.
3. The Head Coach is authorized to remove any swimmer for misconduct or suspend a swimmer. A meeting regarding the incident will convene within 2 days of suspension. The meeting will include the coaches and executive. All parties will be notified. The swimmer and/or parent will be given the opportunity to respond to the disciplinary action if required.
4. All coaches and Executive will decide on length of suspension or termination from the club.
5. No refund or partial refund of the Club's full registration fee shall be granted for incidents of misconduct.

## **Social Media Policy**

Social Media will be defined as computer-mediated communication media such as blogs, YouTube, Instagram, Snapchat, Facebook, TikTok and Twitter. Based on Swim NS social media policy:

All club members, including swimmers and parents/guardians will not upload, post, email or otherwise transmit any content that is:

- i. offensive, obscene, unlawful, threatening, abusive, harassing, defamatory, hateful, invasive or another person's privacy, or otherwise objectionable.
- ii. any material which is designed to cause annoyance, inconvenience, or needless anxiety to others.

Material posted on Bluefins social media accounts will have the approval of all pertaining parties, including swimmers, parents and executive.

Violations to the social media policy may result in disciplinary actions.

# Are You a Winning Swim Parent?

From: *Swimming World, August 2007* (Dr. Alan Goldberg)

[...] If you truly want your child to have a successful and rewarding relationship with swimming, then it's up to you to do your part. Learn and practice the following seven guides to becoming a winning swim parent.

## **1. NO COACHING**

[...] As a parent, it is not your job to coach either at swim practices or at meets. [...] Winning swim parents don't coach. Instead, they leave the coaching to the coaches.

## **2. BE UNCONDITIONALLY LOVING AND SUPPORTIVE**

Your primary role on the "team" is to be your child's "best fan." You want to support their efforts and love them unconditionally regardless of how fast they swim or in what place they finish. Whether they win or lose, swim slow or fast, your love and respect for your children should never change.

## **3. NO PRESSURE FOR YOUR CHILD TO FOCUS ON OUTCOME**

[...] Going fast, achieving cuts and winning [...] in swimming [...] can only happen if the swimmer focuses more on himself/herself and the process of the swim, one stroke at a time, and less on the race's outcome or their times.

## **4. HELP YOUR CHILDREN FOCUS ON THEMSELVES**

[...] Swimmers can only go fast when they focus on what they are doing and not on what everyone else is doing.

...encourage your swimmers to stay in their own lane, focus on their stroke technique, their racing strategy and what they are doing.

## **5. KEEP THE SPORT IN PERSPECTIVE**

Help your children understand that swimming is just a sport [...]. Teach them that the main purposes of their sport are to master new skills, feel good about themselves and have fun.

Help them understand that if they have a bad race or meet, this does not mean they are a bad person or a failure. Help them view their losses and setbacks as a normal and healthy part of the learning process and a necessary prerequisite to ultimate success.

## **6. NO BRIBING YOUR CHILDREN TO SWIM**

Swimming should be something that your children do because they want to. It's not your job to try and motivate them to go harder and reach for certain goals. The goals and dreams that your children have in the pool should be their goals and dreams, not yours!

## **7. BE A GOOD ROLE MODEL FOR YOUR CHILD.**

# Swimming Definitions

**2 Hand Touch**: In the Breaststroke and the Butterfly it is mandatory for the swimmer to touch with 2 hands at the same time at the end of the race and anytime they complete a length and begin to swim another length. Failure to do so is reason for disqualification. (DQ)

**Age Group Swimmers**: These swimmers have successfully achieved the time standard required for the 50m freestyle and 100m IM without any disqualifying infractions. They can achieve these at meets or time trials and can move into the age group category at any time during the season. The age group category is then broken down according to gender and age (U10, 11/12, 13/14, 15+). In this level, at meets and time trials, swimmers can be disqualified for technical infractions (such as failed two-hand touches, incorrect turns or incorrect stroke technique).

**Anchor**: The last swimmer in a relay.

**Block(s)**: The starting platform.

**Counting Strokes**: Backstroke flags are set up 5 meters from the end. In the warmup, swimmers doing the backstroke that day should count how many strokes it takes to get to the wall.

**DQ**: Does not refer to Dairy Queen. It refers to that dreaded term Disqualification. This is when a swimmer has an infraction such as: starts too soon, or touches incorrectly, or an incorrect part of their stroke, or wrong stroke. This is not applicable to swimmers in Participation.

**False Start**: This happens when a swimmer starts too early from the blocks at the beginning of the race or falls in trying to anticipate the start. It is up to the referee to decide if this was deliberate, or an accident and they have the discretion to DQ them or let them back up on the block. A swimmer can also be DQ'd from the start for delaying the meet (taking too long to get ready).

**Flip Turn**: The name given to the turn performed at the ends of the pool in which the swimmer performs a forward somersault to change direction. Entry into the turn is face downward and the swimmer pushes off the pool end with their feet.

**Heat**: Each group of swimmers that compete within an event.

**Heat Sheets**: The swim meet program. Each race consisting of six swimmers is one heat. Each event can have several heats, depending on the number of swimmers registered for the event.

**IM (Individual Medley)**: This is an individual event in which the swimmer swims all 4 strokes in a certain order. In summer swimming this event is either 100m or 200m (25 or 50 meters of each stroke). The same order is used: Butterfly, Back, Breast, and Free. Failure to swim in that order is reason for disqualification.

**Marshalling Area:** The area near the pool used at a meet for organizing the swimmers. It is where swimmers must report prior to racing when their event is announced. Once checked in by the Marshaller (or Clerk of Course), they are to remain there until called to the block.

**Medley Relay:** An event in which four swimmers compete together as a team to achieve a time, with each swimmer swimming one of the four strokes in the following order: backstroke, breaststroke, butterfly, and freestyle.

**Participation Level:** All swimmers that join the summer swimming circuit start at the participation level. At this level the focus is on skill development and fostering a love for competitive swimming. At meets, the races are short and there are no disqualifications. Participation swimmers are eligible and encouraged to attend all meets, including Provincials.

**Provincial Qualifying Times:** Getting a qualifying time in certain events guarantees that your age group swimmer can swim a maximum of 5 events at Provincials. Not getting a standard qualifying time simply means that there are a limited number of events that your swimmer can participate in at Provincials. Please refer to page 19 for the 2019 Provincials qualifying times.

**Template:** It is not possible for all races to be run at a single swim meet. The full set of races is sectioned off into templates and each meet is assigned one of these templates. The templates are defined in such a way to try and allow swimmers the opportunity to race in a variety of different races at each meet.

**Time Trials:** These are an opportunity for swimmers to get a record of their time in a particular stroke while not at an official meet. Time trials at the start of the season help the coaches get a starting point for their swimmers. As the season progresses towards Provincials, it is an opportunity for some swimmers to get a better entry time for Provincials. Parents may be asked to help with this activity by timing for the event.

**Scratch:** When a swimmer listed on a heat sheet does not participate in their heat, it is considered a scratch. Scratches result in empty lanes in heats, which is inefficient and less competitive.

**Split:** A swimmer's intermediate time in a race. Splits can be registered every 50m and are used to determine if a swimmer is on a planned pace.

**Stroke Count:** When swimming the backstroke, it is important to know how many strokes it takes to make it to the wall of the pool. This is important to prevent hitting your head on the wall as well as for those swimmers performing a suicide turn so that the back flip isn't too close to the wall.

**Suicide Turn:** The name given to a backstroke turn performed at the ends of the pool in which the swimmer completes the action by doing a back flip. The swimmer enters the turn on the back and pushes off the pool end with their feet.

**Time Trial:** An event hosted at our home pool where swimmers participate in timed races (basically a mini meet with just our team). The times achieved at the time trial count as official times with Swim NS.

**Warm-ups:** This is the reason we must get up so early to go to swim meets! Each club hosting a swim meet allows about an hour for all the teams to warm up. This may involve using 2-3 lanes and about 10 minutes for all swimmers from one team to jump in the water and get a 'feel' for it and count their strokes. No diving is allowed during the first part of the warmup.
